

# Deckorators® Decking Compatible Fasteners

---

Create show-stopping outdoor spaces with the Deckorators® composite decking collection.

## Deckorators® Compatible Fasteners

Compatible fasteners are those which have been tested and recommended for use with Deckorators® Decking by the fastener manufacturer. The use of a non-recommended fastener will not void the Deckorators® Decking Warranty; however, if a decking failure is caused by the use of a non-recommended fastener, any corresponding warranty claim will be denied.
